

SEXUAL HARASSMENT GRIEVANCE PROCEDURES

(Title IX)

BYU
Title IX

Making a formal complaint can be an intimidating process. The flowchart below gives a simplified picture of the process and options available over the course of an investigation.

This flowchart describes BYU's response to formal complaints of Sexual Harassment which fall under Federal Title IX regulations.

If a complaint does not fall under the federal Title IX regulations because the allegations either (1) did not occur in the United States, or (2) did not occur within BYU's Education Program or Activity, it may be considered under BYU's Sexual Harassment Grievance Procedures (Non-Title IX Sexual Violence).
